## **Welcome to the 2015 Harrison REC Youth Football League season.**

Great news! We have joined the Scarsdale Recreation Travel Football League. Our Scarsdale REC Youth Football League Executive Board, which includes representation from your local community football organization, has been diligently planning this year's 2015 Fall League program. In keeping in line with our Scarsdale REC Youth Football League "Mission" (listed below), I am happy to report our Executive Board has taken another proactive approach to player's health and safety by unanimously voting to engage the resources of the USA Football® organization, "HEADS UP FOOTBALL", affiliated and supported by the National Football League (NFL).

### **SRYFBL Mission Statement:**

The Scarsdale Recreation Youth Football League (SRYFBL) is a collaborative effort among the players, coaches, parents, guardians, fans, and officials to create an atmosphere that nurtures a life-long love of the game of football with an emphasis on safety, instruction, sportsmanship and fun.

### **What is HEADS UP FOOTBALL?**

1. Heads Up Football® is a USA Football organizational membership program designed to create a better, safer game.
2. Key components of this program include:
  - All Coaches completing the nationally accredited football specific certification course.
  - All Coaches trained in concussion recognition and response.
  - All Coaches trained in Heads Up blocking and tackling techniques/fundamentals resulting in greater player development.
  - All Coaches trained in equipment fitting, heat preparedness and hydration.

### **Benefits of HEADS UP FOOTBALL?**

1. Have comfort knowing your league is taking a proactive approach to player health & safety.
2. Bring the credibility of a national accredited annual football specific certification course.
3. Impart uniform coaching education for all Coaches giving them online resources to assist with practice planning and improving how to teach fundamentals.
